

REMARKS

Applicants previously submitted a response on July 28, 2008, which the examiner failed to enter citing the standing rejection of claim 40.

In view of the advisory action mailed on August 18, 2008, Applicants now submit a revised response including the previously proposed amendments cancelling claims 1-22 and 52-74. In addition, Applicants cancel claim 40. Claim 42 was previously cancelled.

Applicants thank the Examiner for indicating that claims 23-26, 34-39, 41, and 43-51 are allowed. Based upon the allowance of generic claim 23, Applicants also request rejoinder of non-elected species claims 27-33, each of which depends from claim 23.

The Applicants are filing by way of Electronic Transfer Authorization, the 1-Month Petition for Extension of Time fee. Please apply any other charges or credits to deposit account 06-1050.

Respectfully submitted,

Date: August 26, 2008
